DR ALBERT SCHWEITZER
PROF. THEOLOG

Invitation

COLLEGE OF HUMAN SCIENCES

Research Institute for Theology and Religion

BACKGROUND INFORMATION

The renowned missionary, Albert Schweitzer, celebrates his 140th birthday in 2015, having been born on 14 January 1875. It will also be 50 years after his death on 4 September 1965.

The Research Institute for Theology and Religion wants to invite academics to present papers at this Seminar which will take place from **15 to 16 October 2015 at Unisa, Room 9 Sunnyside Campus**. Presenters are invited to give papers on any of the many aspects of Albert Schweitzer's life:

- His missionary and medical legacy
- His study of the New Testament
- The philosophies behind his work
- Schweitzer from an educational point of view
- His interpretation of JS Bach and the practice of organ recital
- Critical interpretations of his missionary work from African perspectives

The Research Institute for Theology and Religion celebrates its 40th year of existence in 2015, and would therefore also want to invite members of the Forum for Religious Dialogue, that operates under the auspices of the RITR, to join in this seminar.

Please present an abstract of your paper in 200 words to:

- Prof IJJ Spangenberg: spangijj@unisa.ac.za
- Prof C Landman: landmc@unisa.ac.za before or on 30 April 2015
