The AASR Executive would like to share our deep appreciation for the contributions of many who made this virtual conference possible but do not appear on the schedule:

- Afe Adogame for his marshaling of EAR resources, scheduling speakers, and his indefatigable commitment to mentorship
- Our incredible mentors who have and will continue to contribute to those graduate students and early career scholars presenting their work (Rose Mary Amenga-Etego, Ezra Chitando, Rosalind Hackett, Marja Hinfelaar, Benson Igboin, Simeon Ilesanmi, Chammah Kaunda, Karen Lauterbach, Mary Nyangweso, Oyeronke Olademo, David Omona, Damaris Parsitau, Eva Spies, Abdulkader Tayob, Abel Ugba, Adriaan van Klinken, Njoki Wane)
- Our membership, especially those of you who applied for the mentorship programme, provided ideas and encouraged us in this pursuit
